PTIN # _____ This is needed to report continuing education to the IRS.

In our ongoing effort to provide you with the highest quality education at the lowest possible cost, we are proud to introduce the option of downloading your book and bringing your laptop, printing the course book in your office, or paying an additional fee for NCPE's traditional hard copy version of the course book.

If you choose to download the course book to your laptop, rest assured that a charging station will be available at the seminar site!
